Don't Tread on Me

C U S T O M 1 9 1 1

The new Liberty 1911 is our latest patriotic commemorative pistol, echoing the sentiments of our Founding Fathers in warning all tyrants to tread on American liberty at their peril. Freedom loving patriots have always been prepared to oppose tyranny with the ferocity of a poisonous snake. No better symbol of that exists than the Gadsden Flag, with its legendary motto "Don't Tread on Me!"

This custom 1911 is engraved with "Liberty..Death" on the right side of the slide, set around the original Presidential Seal. The left side of the slide has the words "Don't..Tread", surrounded by the snake from the Gadsden flag. Custom Goncalo wood grips feature 13 stars surrounding the Liberty Bell on the right panel, and "DTOM" on the left. The finish is a custom Cerakote mix of Brown and Black.

This gun starts as an Auto-Ordnance GI Model 1911, made entirely in the United States. It features a 5" barrel, GI sights, and is chambered in .45 ACP. One seven round magazine is included.
