The "Rally Cry" custom 1911 is the latest gun in Auto-Ordnance's series commemorating President Donald Trump's administration. Each one of these special pistols are engraved by the artists at Outlaw Ordnance with detailed imagery paying tribute to President Trump. The slide contains illustrations depicting the President's "MAGA" rallies, his signature, and title as "45th President of the United States". The aluminum grips are engraved with his image and the American flag. Each gun is finished in black Cerakote®, the flats polished, and then overlaid with Cerakote® gold flake clear.

The "Rally Cry" starts as an American made Auto-Ordnance 1911TCAC6N model, incorporating a variety of upgrades popular with modern shooters. It features an adjustable trigger, skeletonized hammer, full-length recoil guide rod, extended beavertail grip safety, and extended magazine release. Frame, slide, and barrel are forged from stainless steel. The slide, sear, and disconnect are machined from solid bar stock, then heat treated properly for durability over many thousands of rounds. Both mainspring housing and front strap are machined checkered at 20 lines per inch. The match grade barrel is 5" in length, and chambered in .45 ACP. TruGlo® night sights are standard. The pistol has a thumb safety, grip safety, and firing pin block. Each Auto-Ordnance stainless steel 1911 ships with one 7-round .45 ACP magazine.
