TRUMP SAVE AMERICA

AUTO-ORDNANCE CUSTOM 1911

Kahr Firearms Group presents the “Trump Save America 1911”, our latest custom gun commemorating the administration of Donald J. Trump, the 45th President of the United States.

This GI style Auto-Ordnance 1911A1 is laser engraved on the right side of the slide with the President’s motto, “Save America”. His signature adorns both the slide and frame. An advancing American flag is etched on the dust cover on both sides. The left side slide and frame have an image of the White House, with the phrase “Promises Made, Promises Kept”. The left wooden grips have the Presidential Seal and Trump 2024 campaign poster. The right wooden grips again have the poster, along with an image of President Trump.

Each Trump Save America 1911 is coated with Savage Stainless and Armor Black Distressed Cerakote. The American made Auto-Ordnance GI series BKO pistol serves as the basis for the Save America 1911, and incorporates all of the time proven features that fans of the original 1911 expect. The carbon steel slide, sear, and disconnecter are heat treated properly for durability over many thousands of rounds. Its 5” barrel is chambered in time proven .45 ACP. Low-profile sights feature a blade front, and a rear that is drift adjustable for windage. It has a thumb safety, grip safety, and firing pin block. The 1911BKO is 100% made in the USA, and ships with one 7-round magazine.
