TRUMP SAVE AMERICA

THOMPSON SPECIAL EDITION

"The Second Amendment to the Constitution is clear. The right of the people to keep and bear arms shall not be infringed upon. Period." With this statement, Donald J. Trump, 45th President of The United States, reaffirmed his support for the gun rights of all Americans. With the invention of the Thompson, the United States reaffirmed its ability to deliver defeat to the enemies of liberty around the globe. It is only fitting that these two icons should again be combined in the latest Trump commemorative Thompson Carbine.

The Trump Save America Thompson starts as a Model 1927 Tommy Gun, chambered in .45 ACP. It is entirely manufactured in the USA from quality steel and American walnut. On the right side is engraved "President Trump", and the Presidential Seal. On the left, "Save America 45th". The beautiful wood furniture is engraved with the American flag, President Trump, Liberty Bell, and Statue of Liberty images. The finish is highly durable Sniper Gray Cerakote, with black controls. The rear sight is adjustable. Each Trump Save America Thompson has a 16.5" finned barrel with Cutts compensator. The overall length is 39". It weighs 12.5 lbs, and comes with 50-round drum, and 20-round stick magazines.

Each custom firearm is a unique work of art containing hand created content. As a result, no two firearms are exactly alike, and features may vary between individual pieces. Final products may not exactly match depictions in advertisements.
