TRUMP ONE

C U S T O M 1 9 1 1

Auto-Ordnance and Outlaw Ordnance partner again to recreate the original Trump 1911 pistol, introducing the "Trump One 1911"! With the election of President Donald J. Trump, the United States had its 45th president.

With the invention of the 1911, the United States had its legendary .45 caliber pistol. It was only fitting that these two icons should be combined, with the original "Trump 45" 1911 pistol. President Trump voiced strong support for the Second Amendment, speaking at every NRA convention, and promising to defend the Right to Keep and Bear Arms with a determination that has not been seen in the White House for decades.

Kahr Firearms Group once again extends our thanks to the President for his staunch defense of American Shooters with this special edition 1911. The "Trump One 1911" starts as a 5" Auto-Ordnance Stainless 1911, chambered in .45 ACP. Its slide and frame are stainless steel, with custom flag engraved aluminum grips. The pistol features TruGlo® white 3-dot day sights, full length guide rod, high sweep beavertail, skeletonized trigger, checkered front strap, serrated and ported slide, with a match grade barrel. Engraved on the right side is "Donald J. Trump" with the number 45, and the Seal of the President of the United States. On the left side is a picture of President Trump, the White House, and his slogan "Make America Great Again". The United States flag is engraved on both sides of the dust cover.

Each custom firearm is a unique work of art containing hand created content. As a result, no two firearms are exactly alike, and features may vary between individual pieces. Final products may not exactly match depictions in advertisements.

MSRP: **\$1,895**
