

NEVER SURRENDER

LIMITED EDITION 1911

Auto-Ordnance presents the Trump "Never Surrender" limited edition 1911! Only 500 of these custom pistols will be available, each individually numbered on top of the slide. The team at Outlaw Ordnance worked with MissouriGuns.net to design this latest President Trump themed pistol, highlighting his determination to "never surrender" in the face of constant attacks against his legacy.

This exclusive design features President Trump's name, the iconic mugshot image, the American flag, and the slogan "Never Surrender" engraved on the slide. Each grip features the post presidential seal surrounded by stars and "Let's Go Brandon" meme. The stainless steel pistol slide is coated with a Cerakote Graphite Black, the sides sanded, and engraved "2024". The frame is coated with Graphite Black and finished in a high gloss clear, creating a beautifully contrasting finish.

The Trump Never Surrender custom pistol starts out as an Auto-Ordnance Stainless model 1911, chambered in .45 ACP. Each gun includes features desired by modern shooters, such as TruGlo® day sights, full length guide rod, high sweep beavertail, skeletonized trigger, checkered front strap, serrated and ported slide, with a match grade barrel.

The Trump Never Surrender 1911 is not just a beautiful work of art and powerful political statement, it is a precision shooting instrument meant to be used and enjoyed!
