Each custom firearm is a unique work of art containing hand created content. As a result, no two firearms are exactly alike, and features may vary between individual pieces. Final products may not exactly match depictions in advertisements.

Honor two and a half centuries of faithful service with this exceptional commemorative 1911A1 from Auto-Ordnance. This firearm is masterfully crafted by Altered Arsenal, to salute the legacy, valor, and unwavering spirit of the Marines, designed as both a collector's treasure and a testament to American craftsmanship.

This pistol proudly displays its heritage with custom engravings on its two-tone slide. The left side is emblazoned with the word "MARINES" in bold lettering. The right side celebrates the historic milestone with the words "UNITED STATES" and a brilliant gold-inlaid "250 YEARS" emblem.

The story of the Corps continues on the custom engraved wood grips, which feature a scene of Revolutionary War-era soldiers on the right panel and a depiction of a modern Marine on the left, bridging the past with the present.

Beneath the artistry lies the heart of a warrior. This American-made 1911A1, crafted by Auto-Ordnance in Greeley, Pennsylvania, is chambered in the formidable .45 ACP caliber. Its striking visual presence is defined by a brilliant Stormtrooper White Cerakote frame contrasted against a Midnight Blue slide with USMC Red and Gold accents, creating a look that emulates the Marine's Dress White's uniform, worn for special occasions.

For the Marine, the veteran, or the dedicated collector, this limited-edition firearm is a chance to own a piece of history and honor 250 years of the Few and the Proud.
