CUSTOM THOMPSON

This commemorative Thompson semi-automatic rifle from Auto-Ordnance is crafted to honor the 250th Anniversary of the founding of the Army on June 14, 1775. It serves as a powerful tribute to the dedication and sacrifice of the many men and women who have served in the Army over its extensive two-and-a-half-century history.

This special edition Thompson, chambered in .45 ACP, features a historically significant design combined with unique commemorative artwork. The rifle showcases a distinctive two-tone finish: the upper receiver is coated in Cerakote OD Green, while the lower frame is finished in a contrasting Cerakote Coyote Tan. The barrel also sports an OD Green finish, and the rifle's controls are in a Black Oxide.

The American Walnut furniture is extensively custom engraved, with artwork containing images throughout the Army's history. This is a visual narrative, chronicling the evolution of the Army soldier with figures from the Revolutionary War, through World War I, World War II, Vietnam, and

into modern times. Both sides feature a distinctive "250th Anniversary" banner. Complementing this, the horizontal foregrip is engraved on both sides with "U.S." surrounded by stars.

The steel receiver and frame also are adorned with commemorative markings. On the left side, "ARMY" lettering is CNC engraved on both the upper receiver and lower frame, and then Cerakoted Black. The right side of the receiver features a "250 Anniversary Banner" which is Cerakoted FX Gold. Adding a unique and distinguished touch, the top of the receiver showcases a design depicting the layout of the Army dress uniform, meticulously accented with Cerakote Black lines and Cerakote FX Gold buttons. This commemorative Thompson rifle, with its blend of iconic design and detailed tribute artwork, is intended as a lasting homage to the 250 year legacy of unwavering service by our nation's Army personnel.
