Redefine your long-range capabilities with the Thompson® Auto-Ordnance® TAO50®. Engineered for match precision without noise, this .50 BMG rifle features a cutting-edge 35" barrel with an integral suppressor and muzzle brake, reducing the report of PMC M33 ball ammo to an astonishing 110 dB, and recoil to less than a .308.

Weighing in at 33.4 lbs with a fully adjustable folding stock, the TAO50 combines heavy-hitting performance with tactical portability. The stock collapses the overall length from 71" to 61.5" for easier transport and includes a built-in adjustable monopod for unmatched stability. With a 1:15 twist rate and patent pending roller bearing bolt tech, the TAO50 delivers dominant firepower with suppressed stealth. Experience the quiet storm. Experience the TAO50.

MSRP: \$15,999 (TAO50-SUP/TAO50FDE-SUP)
