

Auto-Ordnance Announces the “250th Anniversary of the United States” 1911

Greely, PA – 5-7-26 – Auto-Ordnance continues its dedicated celebration of America’s semiquincentennial with the unveiling of a stunning new edition of its classic 1911. This commemorative firearm serves as a functional tribute to the nation’s history, finished in a sophisticated matte gray coating that is both beautiful and durable.. The design is further elevated by striking copper-colored infill, which serves to highlight patriotic inscriptions etched into the slide, while black controls offer a sharp, sleek contrast.

The craftsmanship of this anniversary model is detailed through intentional symbolism on both sides of the slide. The left side is emblazoned with “250th ANNIVERSARY” alongside the year “2026,” while the right side proudly bears the title “UNITED STATES OF AMERICA” and the founding year of “1776.” To complement this unique color palette, the pistol features custom-engraved wood grips. These grips showcase the iconic Liberty Bell on the left and a regal bald eagle on the right, with both images set against an intricate field of stars.

Chambered in the legendary .45 ACP, this pistol merges historical reverence with world-class modern craftsmanship. It is equipped with TruGlo® Combat Day Sights for rapid target acquisition and includes one seven-round magazine. This 1911 is a standout addition for any collector of Americana, offering a timeless piece of history to mark a monumental milestone in the American story. MSRP: \$1,494

About Auto-Ordnance

Auto-Ordnance is a legendary American firearms manufacturer, best known for producing the Thompson submachine gun, also known as the “Tommy Gun.” The company was founded in 1916 by John T. Thompson, and has been producing high-quality firearms for over 100 years. Auto-Ordnance offers a wide range of firearms, including 1911 pistols, Thompson pistols and carbines, M1 Carbines, and the TAO50 long-range rifle. The company is committed to producing high-quality firearms that are both reliable and accurate. Auto-Ordnance is headquartered in Greeley, Pennsylvania, and is a division of Kahr Firearms Group.
